P.O. BOX 829 Pearl River, NY 10965 (845) 304-0846

February 12, 2009

Dear Member:

## **2009-2010 Membership**

The Pearl River Chamber of Commerce continues as a driving force in service to the hamlet's business and the community at large.

Our Mission Statement crystallizes the Chamber's focus:

"To ensure that Pearl River will continue to thrive for decades to come, the Chamber is working toward improving all aspects of the downtown district, including strengthening public participation, supporting new and existing businesses, and encouraging the rehabilitation of buildings and beautification of historic downtown."

We will accomplish together. Please ensure that all of Pearl River's businesspeople and concerned citizens have a voice in the future of the hamlet. Renew your membership for 2009-2010. Please take a moment to complete the attached form and forward your annual dues to show us that you want to play a part in Pearl River's future.

This Spring we are debuting our new website with directory and advertising, a new networking event, and other opportunities to build and promote your business in Pearl River. Renew today!

Sincerely,  
Andrew Tannariello & Neil Acer

# PEARL RIVER CHAMBER OF COMMERCE COMMITTEE SUMMARIES

The Chamber of Commerce is working hard to serve the business owners and residents of Pearl River. We are making great strides, and with your help we will continue to grow. We have several committees that welcome new volunteers.

**Membership Committee:** Continues to work on recruitment of new businesses and residents. Joining the committee is a wonderful way to network with members of your business community.

**Government Liaison Committee:** Attends all town board meetings on a rotating schedule to keep abreast of the issues concerning Pearl River. The time commitment is minimal.

**Streetscape Committee:** The committee has worked on the design and fund-raising efforts for our new and improved holiday lights. In addition the committee is working closely with the Town of Orangetown on aesthetic improvements and overall maintenance.
